NEW YORK, May 8, 182 . Bill for Injunction. In the Circuit Court in the District of Columbia, sitting in Chan-

> Christopher Adams, complainant, James Guthrie, Amos Adams, Isaac N. Comstock, Defendants Samuel Byington, and Richard Wallach,

plaint in the above s states, that the said complainant, on or about the twenty-fifth day of November, A. D., 1851, entered into a contract with the United States government, agreeing to supply the government with five mil-lion of brick for the extension of the Capitol. That said complainant, on or about the 12th day of January, A. D. 1852, assigned to one Samuel Strong, the said contract; the said Strong agreeing and promising to pay to said complainant the sum of four thousand dollars.

The bill further states that the said Strong, or or about the 2d day of February, A. D. 1852, assigned the said contract, or one moiety thereof, to Amos Adams and Isaac N. Comstock, of the city of Albany and State of New York, and received from the said Adams and Comstock their obligation or ise for the payment of four thousand dollars, or thereabout, as well as a lien of thirty per cent. on the moneys to be paid by the government on said contract, until the said sum of four thousand dollars should be paid which lien said Strong duly assigned to the complainant in this bill. The bill further states that sometime in the year 1852 the said Amos Adams and Isaac N. Comstock assigned their right, title, and interest in the contract to one Samuel Byington as partner and associate of Richard Wallach, the said Byington and Wal-lach having notice of the said lien of thirty per cent. on the moneys to be paid by the government on said contract.

The object of said bill is to obtain an injunction against said defendants inhibiting the said James Guthrie, and all persons acting for him, from paying the said moneys to any of the defend-ants, or their representatives, and the defendants and their representatives from receiving the said moneys until the sum of thirty-six hundred dollars, and the interest thereon, should be paid to the complainant or his legal representatives, and such other and further decree as to this court shall seem right and proper. The said Amos Adams and the said Isaac N. Comstock, named in the caption and body of the bill, still residing in Albany as aforesaid, beyond the reach of the pro-

cess of the court.

It is, therefore, by the court ordered this 1st day of January, A. D. 1855, that the matters and things stated in the aforesaid bill of complaint against the defendants, shall be taken for confessed against the said Amos Adams and Isaac N. Comstock, and such decree made in the pre-mises against them, and each of them, as the court shall deem right, unless the said defendants appear in the court on or before the second Monday in May next, and answer the said bill, and show cause if any they have why a decree as

prayed for by the complainant should not be passed by the court.

Provided the complainant cause this order, and the substance and the object of the said bill of complaint, to be published in some newspaper in the city of Washington, twice a week for six successive weeks, the first insertion thereof to Monday in May next.

Given at rules, the first Monday of January, 1855, being the first day of January, 1855.

The following are a few complimentary opinions of the Press: PAPER MOISTENER. - 4 new and very neat use ful invention for moistening post office stamps, envelopes, sheets in a copying book, counting bank bills, &c. This does away with the disagreeable method of moistening stamps, &c., with the ongue. It is a patent article, vary simple and

with the subject. It as nature to brace the whole system, check excesses, and creates renewed health and happiness among ladies would exist, were they generally to adopt the water, is inconvenient and very difficult to give paper an even moisture, which is very desirable for copying letters. This article obviates these difficulties, besides being useful for various other purposes. It is also perfectly simple and cheap, and must come into general use.—I B.—

GREAT WESTERN MAIL ROUT pressly for families, a delicate and appropriate food for all seasons, and one of the most economical, nutritious, and wholesome preparations ever brought to the table, eminently combining the gratification of the palate with ample and healthful sustenance of the body.

Strictly speaking, Heckers' Farina is neither stringent nor laxative, but restorative, strengening the digestive and absorbent system. In disordered bowels, diarrhae, dysentery, and even in cases of cholera, when food is deemed admissible by the physicians, Heckers' Farina cannot fail to be salutary; and wherever known is extensively used in hospitals and private practice. The preservation of health or the prevention of sickness is at least as important as the curing of disease. Farina freely, as common food, to preserve the inestimable blessing.
